Raising Awareness for Cervical Cancer Prevention

On August 5, 2026, Adani University organised a Cervical Cancer and HPV Vaccination Awareness Session to promote informed approaches to women's health and well-being. The session was led by Dr. Anjana Chauhan, Gynec Oncologist and Preventive Oncologist, who shared insights into cervical cancer, HPV vaccination, early detection, and screening. She also addressed common myths and misconceptions surrounding HPV and prevention, followed by an interactive Q&A. The session provided female students and staff with an opportunity to engage with an experienced specialist and gain greater awareness of preventive healthcare.
