

Expert Talk on 'Budget 2024: Impact on the Infrastructure Sector'

The Faculty of Management Sciences at Adani University hosted a discussion on 'Union Budget 2024: Impact on the Infrastructure Sector'. The event was graced by Mr. Dhiren Shah, Senior Vice President (Taxation), and Mr. Rajiv Bajoria, Vice President and Head of Direct Tax Planning and Compliance at Adani Group, as speakers. The discussion centered on the key announcements of the Union Budget 2024. The experts highlighted strategic investments and policy reforms aimed at fostering economic growth and enhancing sectoral development. Dr. Riya Mehta, Assistant Professor at FMS, served as the event moderator.

Pre-PhD Qualifying Defense Seminar of Ms. Nidhi Dubey

A pre-PhD qualifying defense seminar on "Deep Learning Techniques on Semantic and Geometric Tasks in Photogrammetry" was conducted wherein Ms. Nidhi Dubey, a research scholar from Adani University, presented her research plan, which integrates deep learning methodologies with photogrammetry to optimize both semantic and geometric analysis. She also addressed the technical intricacies and methodologies involved in generating high-precision Digital Elevation Models (DEMs) using stereo data from the Cartosat-1 and ASTER satellites. She is pursuing her PhD under the supervision of Prof. Hitesh Chhinkaniwala.

Civil and Infrastructure Engineering Students Secured Admissions in Top US Universities

Students of Civil and Infrastructure Engineering have been received admission into prestigious U.S. universities. Mr. Jemit Pandya, a gold medalist, will pursue a Master of Science in Industrial Engineering at Northeastern University. Mr. Tapan Shah has been admitted to Arizona State University in Construction Management and Technology, with a scholarship for his academic achievements. Mr. Neel Prajapati will study Construction Engineering and Management at the Illinois Institute of Technology, Chicago. These achievements reflect their hard work, dedication, and passion for civil and infrastructure engineering.

SSIP 2.0 Awareness Program Organized for First Year MBA Students

SSIP 2.0 cell of Adani University organized an Awareness Program for first-year MBA students. The program aimed to inform students about the opportunities, resources, and support available for fostering entrepreneurship and an innovation culture at Adani University. Dr. Jignesh, the Coordinator of SSIP 2.0, encouraged students to explore entrepreneurship as a career path and drive innovation in various fields. He also explained the SSIP 2.0 policy at Adani University, highlighting the opportunities for seed funding and mentoring support to establish start-ups under this scheme.
