Prof. Ravi P. Singh Shares Vision for

AI in Higher Education at EPSI Conference

At Education Promotion Society for India (EPSI) 20th anniversary National Conference, Prof. Ravi P. Singh, Provost of Adani University, highlighted the role of Indian universities in adopting AI to enhance student learning, faculty training, and classroom engagement. He stressed hands-on learning and research to bridge skill gaps and boost India's global AI leadership. The event, attended by 250 delegates, featured AICTE Chairman Prof. T.G. Sitharam as Chief Guest, who released his book "The Road Ahead 2.0". Other key speakers included leaders from LinkedIn, Ramaiah University, IILM, and SAGE University.

Students Win IEEE Sponsored Ingenious Fintech Hackathon

Students from AU-FEST, Mr. Nishant Mehta, Mr. Khush Patel, and Mr. Pranshu Oza, won the Ingenious Fintech Hackathon hosted by Ahmedabad University, sponsored by IEEE. Competing against 100 teams from top institutes like Nirma University, PDEU, and Ahmedabad University, two teams from AU-FEST made it to the top 10, with one emerging as the winner. Their project, a smart investment platform, offers portfolio tracking, risk analysis, and AI-driven predictions. It enables users to set financial goals, receive AI recommendations, use tax calculators, and interact with a financial community.
