Faculty Induction Program 2025

ShikshaVid – Center for Learning with Impactful Teaching and Assessment organized the first Faculty Induction Program (FIP) 2025 at Adani University. The program featured sessions led by experts on various pedagogical approaches and essential teaching skills. It aimed to familiarize faculty members with the National Education Policy (NEP) 2020, particularly its focus on outcome-based learning. The FIP also addressed potential challenges in the academic environment, promoting creative problem-solving strategies. The FIP proved to be an excellent learning opportunity for early career educators and researchers.

Mr. Sushil Reddy Shares E-Mobility Journey with Students

Mr. Sushil Reddy, an alumnus of IIT Bombay and HEC Paris, and a Guinness World Record holder for the longest e-bike journey, recently addressed the students at Adani University during an interaction on Promoting Sustainability and Green Growth. After travelling over 550 kilometers in four days with zero tailpipe emissions, he shared insights from his endurance journey to promote e-mobility and sustainability. Acknowledging the support of individuals and organizations, he inspired students with real-world case studies on electric vehicle use in India, highlighting practical challenges and opportunities in green mobility.

Expert Session Held for MBA-IM Students

An expert session was conducted for second-year MBA (Infrastructure Management) students at Adani University, addressed by Capt. Unmesh Abhyankar, Head of Shipping at Adani Cement. With over 35 years of industry experience, Capt. Abhyankar provided valuable insights into operational excellence in maritime and logistics. He highlighted key aspects such as throughput optimization, techno-commercial strategies, and innovation-led operations. Drawing from his leadership journey, including his role in the development of Mundra Port, he offered practical perspectives that enriched the students' understanding of the shipping and port infrastructure sector in India.

Expert Session on Adani Group and Industry- Academia Collaboration

An expert session on “Introducing Adani Group as a Part of Faculty Induction” was conducted for the new faculty members by ShikshaVid at Adani University. The session was addressed by Mr. Mohan Jadhav, Head – Technical Training, Group L&D, Group HR, AEL. He provided an overview of the diverse industries and projects under the Adani Group to acquaint newly joined faculty with potential career opportunities for students. Emphasizing behavioral and personality traits sought in prospective employees, Mr. Jadhav also addressed challenges in hiring from Gen Z. The session highlighted efforts to bridge the industry-academia gap and build a thriving community aligned with the Group’s dynamic growth trajectory.
