Adani University Collaborates with Industry Experts to Host Cybersecurity Awareness Event

On October 28, 2026, Adani University successfully organized "Cyber Awareness – Fun Zone 2026" in collaboration with the Adani Cyber Team and Cyber Sphere Club. The interactive event promoted digital safety through gamified challenges like Cyber Feud, AI vs Deepfake, and Cyber Puzzles. Led by cybersecurity leaders Mr. Keshav Raval and Mr. Gopal Chaubey, alongside trainer Mr. Vedant Diwakar, the program successfully trained students, faculty, and staff in threat detection. Coordinated by Dr. Raj Jadav, Dr. Ritu Patel, and Mr. Kamlesh Patel, the initiative built solid teamwork and fostered a security-first culture across the campus.

Adani University Faculty Delivers Invited Talk on Machine Learning Applications in Structural Mechanics

On October 26 to 28, 2026, Dr. Rohan Majumder, Faculty member at FEST, Adani University, participated as an invited speaker at the 2nd International Conference on Innovations in Nanomaterials, Nano Devices and Smart Technologies (INNOST NANO 2026). Jointly organized by GITAM Jhajjar and the MetaSciTech Society, Dr. Majumder delivered an online session titled "Intelligent Prediction of Post-Critical Load Drop in Conical Shells Using Artificial Neural Network." His presentation showcased how machine learning models optimize structural engineering designs by predicting complex mechanical failures, highlighting Adani University's contributions to global cutting-edge interdisciplinary technological research.

Adani University Commences Environmental Science Lecture Series with IIT Gandhinagar Expert

On November 2, 2026, the Faculty of Engineering Sciences and Technology (FEST), Adani University, launched an expert lecture series for first-year students under the Environmental Science course. Dr. Udit Bhatia, Associate Professor at IIT Gandhinagar, delivered the inaugural lecture, titled "Domain-Guided Machine Learning for Resilient Urban Systems," to CSE (AI-ML) and CIE branches. Dr. Bhatia demonstrated how integrating machine learning, network science, and hydrological modelling can mitigate urban flooding and climate risks. Coordinated by FEST's Dr. Ankur Kapoor, Dr. Partho Mukherjee, and Dr. Rajesh Chouhan, the series successfully connects classroom fundamentals with sustainable, real-world technological solutions.

Gujarat Youth Ambassador Vidit Sharma Leads Inspiring Mental Health Session at Adani University

On November 3, 2026, Adani University organized a vital Mental Health Awareness Session under the state's "Mind Strong Gujarat" initiative. The event featured Shri Vidit Sharma, Youth Ambassador for the Government of Gujarat and former MTV Roadies participant, who addressed the student community on emotional well-being, suicide prevention, and drug abuse. Aligning with the "No To Suicide" and "No To Drugs" campaigns, the session pushed students to build personal resilience, adopt healthier coping mechanisms, and embrace positive, purpose-driven lifestyles. Ultimately, the program succeeded in fostering a supportive, empathetic, and mentally conscious campus ecosystem.

Adani University Energy Engineering Students Secure Third Place at National Renewable Energy Quiz Finals

On November 5, 2026, first-year Energy Engineering students Prapti Parekh and Soujanya Roogi, mentored by Dr. Subhanarayan Sahoo, secured third position nationally at the "RE:Think: Think Beyond Energy (ऊर्जामंथन)" National Renewable Energy Quiz in Bharat Mandapam, New Delhi. Organized by the Ministry of New and Renewable Energy (MNRE) and NSEFI for BRESE 2026, the grand finale pitted five zonal champions against each other, selected from over 1,000 participating teams nationwide. Representing the West Zone, the duo received a ₹40,000 cash prize from Union Cabinet Minister of New and Renewable Energy, Shri Pralhad Venkatesh Joshi.

Adani University Distributes Diwali Gifts as a Token of Appreciation to Employees

In the week leading up to the Diwali vacation, Adani University organized a festive gift distribution drive for all its employees. This annual initiative served as a sincere gesture of gratitude, acknowledging the university's staff's dedication, hard work, and valuable contributions throughout the year. The gift distribution fostered a warm atmosphere of appreciation, reinforcing the institution's commitment to nurturing a collaborative workplace culture. The event brought the campus community together, setting up a cheerful tone ahead of the upcoming festive holidays.

Diwali Celebrations Conclude at Adani University with Creative Desk Decoration Competition

On November 6, 2026, the final working day before the festive break, Adani University hosted a lively Diwali celebration for its employees. The festive gathering was marked by cheerful music, strong camaraderie, and the highly anticipated Desk Decoration Competition. Staff members showcased impressive creativity, transforming their workspaces with vibrant, festive themes. The event featured the announcement and warm felicitation of the competition's winners, appreciating their participation and artistic efforts. Concluding on a sweet note, the celebration successfully reflected the university's rich culture of togetherness, creative expression, and shared festive joy.
