Exploring the Future of Infrastructure with 3D Concrete Printing

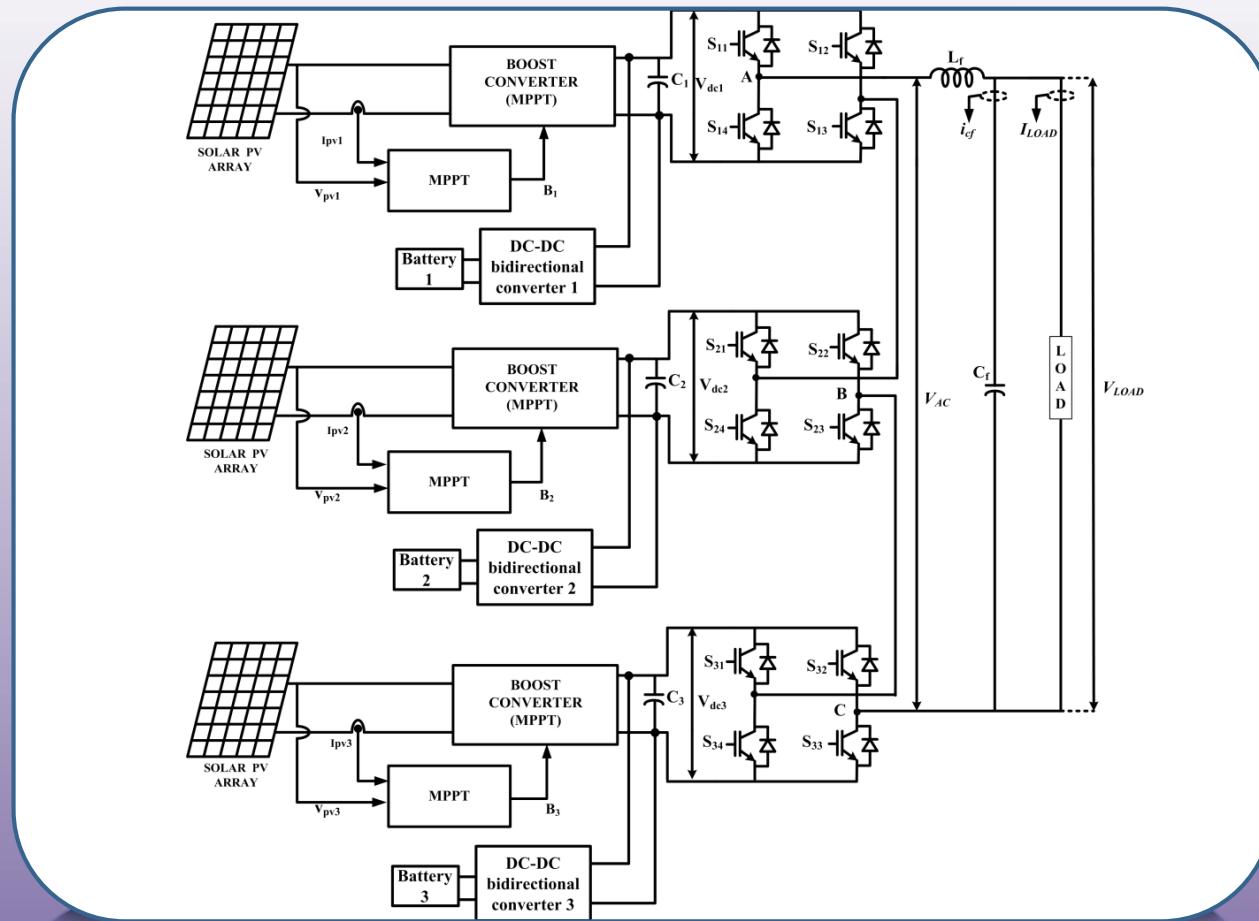

Adani University's Faculty of Management Sciences, under the Nexus Club, hosted Dr. Ankita Sinha, CMO and Co-founder of MiCoB, for an expert session on "Reimagining Infrastructure through 3D Concrete Printing." Dr. Sinha shared how 3D Concrete Printing (3DCP) is revolutionizing construction by making it faster, more sustainable, and efficient. She emphasized the crucial role of managers and policymakers in scaling such innovations. The interactive session offered MBA (Infrastructure Management) students, valuable insights into digital construction and the transformative potential of 3DCP in shaping the future of sustainable infrastructure. The session was organized under the mentorship of Dr. Arti Singh.

Research Publication in Q3 Journal

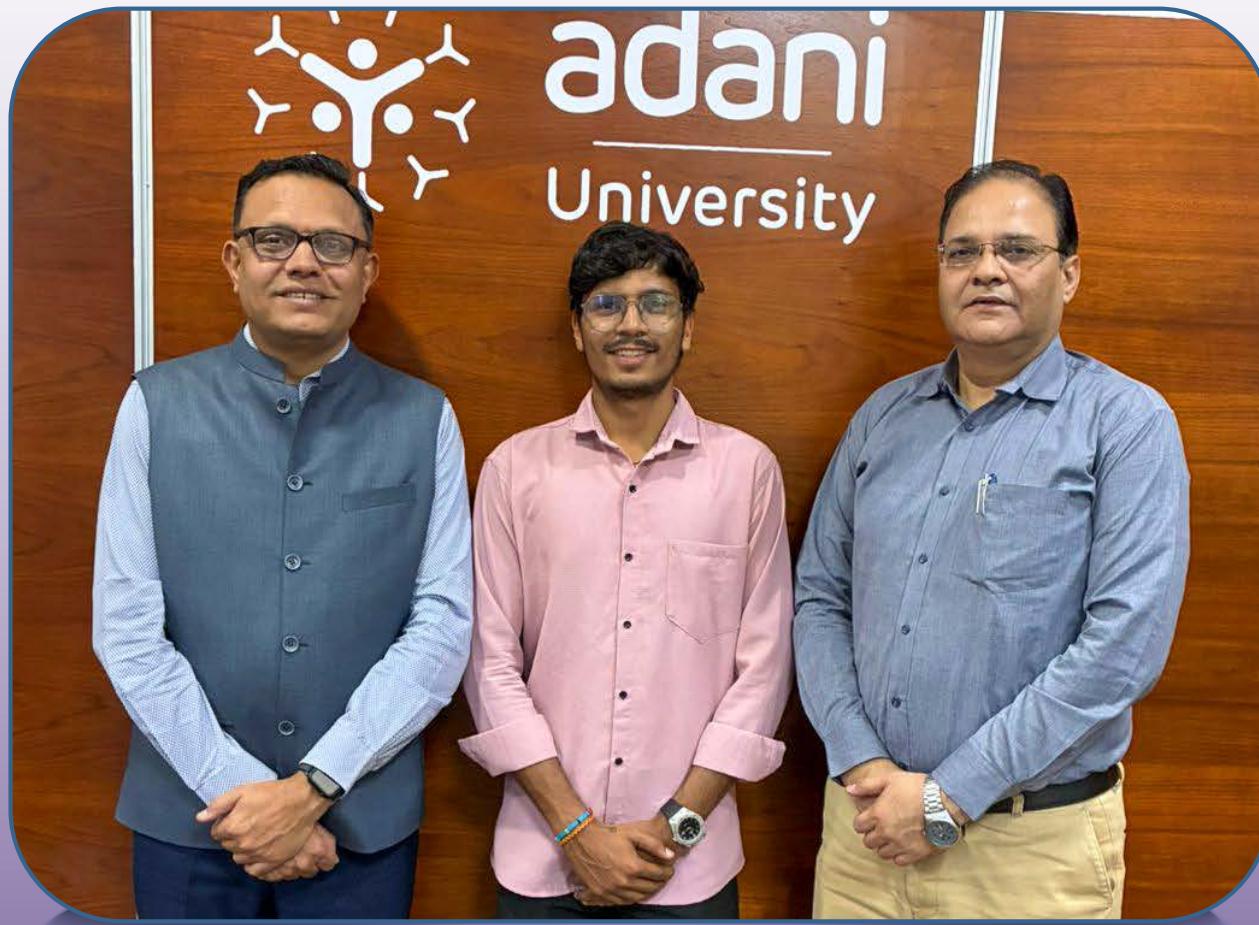

Dr. Alok Kumar Singh (Faculty-FEST) published his latest research paper titled “Intelligent Solar Photovoltaic Fed HBMI with Unified Battery Management for Standalone System” in the International Journal of System Assurance Engineering and Management (Q3 Journal). The study presents an innovative approach to enhancing the efficiency and reliability of standalone solar photovoltaic systems through an intelligent hybrid bridge multilevel inverter (HBMI) integrated with a unified battery management interface. The proposed system optimizes energy utilization and ensures stable operation under variable solar and load conditions — a significant step toward sustainable and intelligent energy solutions. Mr. Durgesh Earns Gold at Khel Mahakumbh, Advances to State Level

Mr. Durgesh Parmar, a second-year B.Tech ICT student at Adani University, has won the Gold Medal at the Khel Mahakumbh District Level Wrestling Championship in the 50–57 kg category, earning qualification for the State Level. Hailing from Kutch, Durgesh began his wrestling journey with several early defeats but refused to be discouraged. His determination led him to a Bronze medal in the 2024 Khel Mahakumbh, motivating him to train harder. This year's gold-winning performance reflects his discipline, resilience, and steady growth. Durgesh's achievement exemplifies the spirit of perseverance that defines true champions.

76th Constitution Day Commemorated at Adani University

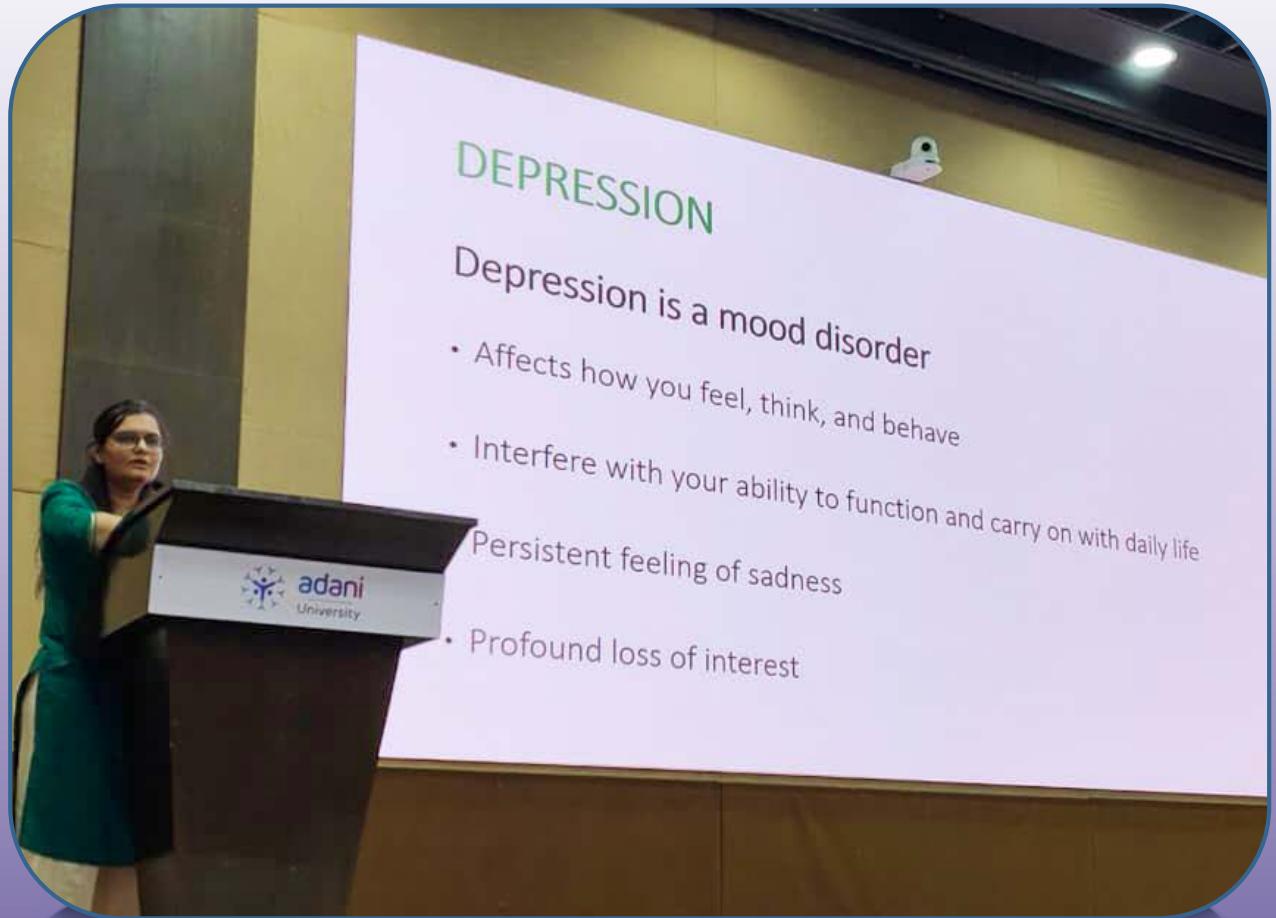

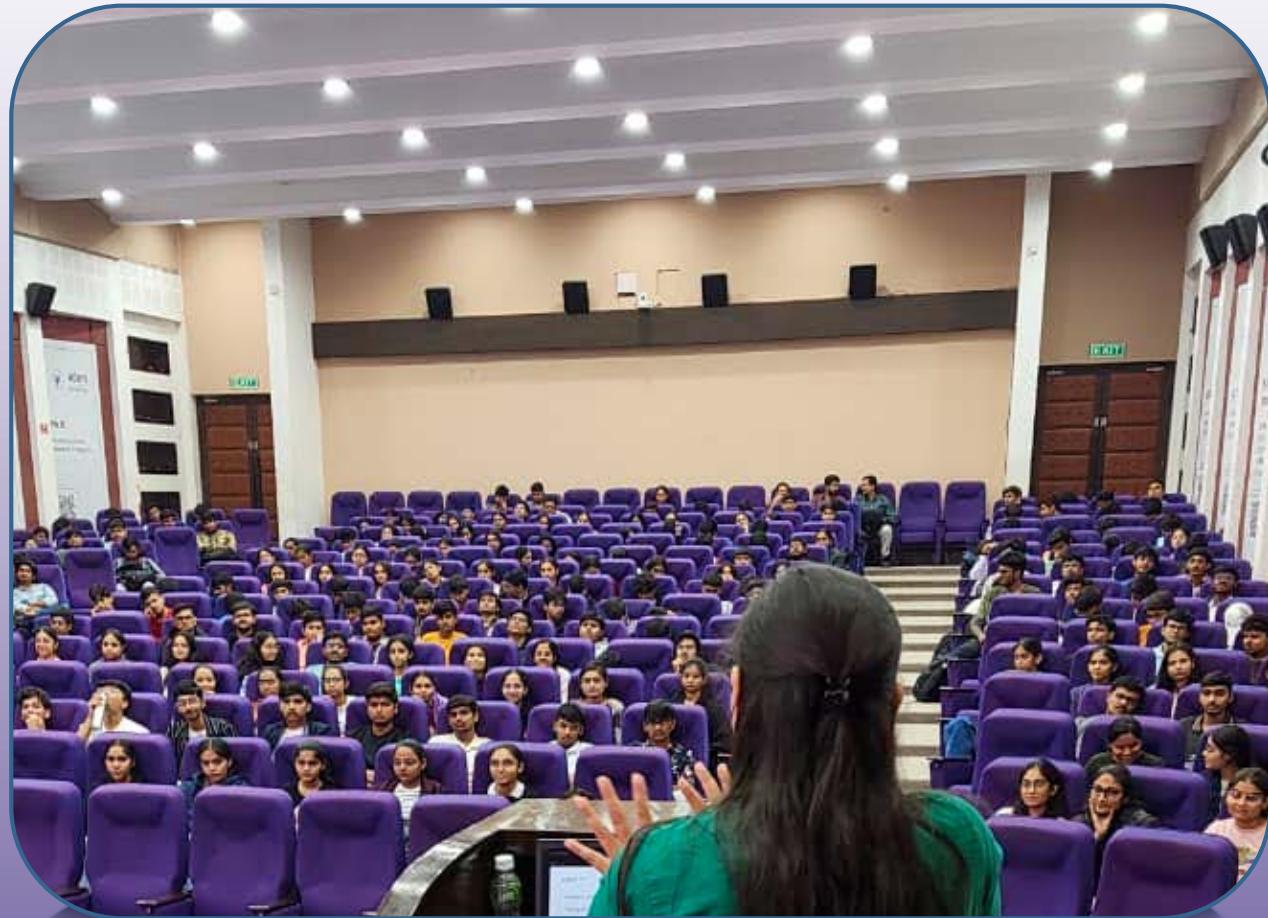

Adani University celebrated the 76th Constitution Day through two meaningful events that highlighted the values and spirit of the Indian Constitution. First-year B.Tech students of FEST marked the occasion in the presence of Provost Prof. Dhaval Pujara, Registrar Prof. Amish Vyas, and senior faculty members. Students collectively recited the Preamble, followed by an insightful address by Prof. Anindita Chatterjee on constitutional principles. The Literary Club of Faculty of Sciences also organized a session for first-year Integrated B.Tech (CS-AM) & M.Tech (CC) students, where Ms. Ashita Thakur shared engaging insights on constitutional relevance and responsible citizenship.

Counseling Session on Stress and Mental Well-Being for First-Year B.Tech Students

Ms. Riddhi Pitroda, Student Counselor at Adani University, conducted an expert session for first-year B.Tech students. The session focused on helping students understand and manage stress, depression, anxiety, and other emotional challenges commonly faced during the initial phase of college life. She provided practical strategies to cope with academic pressure, maintain mental well-being, and communicate openly. Students were encouraged to feel free to share their concerns without hesitation and to adopt healthy habits for emotional balance. The session was interactive, insightful, and aimed at promoting positive mental health and resilience among the students.

The banner features the Adani University logo at the top center. On the left is a portrait of Dr. Priti G. Adani, President, Adani University. On the right is a portrait of Mr. Savi S. Soin, Senior Vice President & President, Qualcomm India. The text "2nd Convocation" is prominently displayed in the center, with "Batch 2025" below it. The event date "Saturday, December 6, 2025 | 10:30 a.m. onwards" and location "Adani University, Shantigram Township, Ahmedabad" are also included.
