

OFFICE ORDER

Constitution of Clubs Coordinators Committee for the Academic Year 2026–27

With the objective of promoting managerial competencies, leadership, entrepreneurship, innovation, technical knowledge, creativity, practical learning, problem-solving, teamwork and professional development among students, the University is pleased to constitute the Clubs Coordinators Committee for the Academic Year 2026–27.

The Clubs Coordinator(s) shall serve as an institutional mechanism for planning, coordinating, monitoring and promoting various clubs across the University. The Coordinator(s) shall facilitate meaningful opportunities for students to enhance their managerial, entrepreneurial, technical, professional and interpersonal competencies through experiential and hands-on learning.

The Coordinator(s) shall encourage students to apply classroom learning to practical situations, participate in competitions and projects, explore emerging technologies and business concepts, interact with industry and academic experts and develop skills relevant to higher education, employment, entrepreneurship and professional careers.

Major Responsibilities:

The University Clubs Coordinator(s) Committee shall:

- Plan, coordinate and monitor the activities of clubs at the University level.
- Promote leadership, entrepreneurship, communication, teamwork, creativity, innovation, critical thinking, problem-solving and decision-making skills among students.
- Organize workshops, seminars, expert talks, competitions, quizzes, case studies, business simulations, hackathons, project exhibitions, technical demonstrations and other relevant activities.
- Encourage students to undertake practical projects, prototypes, business ideas, technical solutions and interdisciplinary projects addressing real-world problems.
- Facilitate interaction with industry professionals, entrepreneurs, technology experts, academicians, researchers, alumni, investors, professional bodies and other relevant stakeholders.
- Encourage students to participate in inter-university, state, national and international competitions, technical competitions, hackathons, innovation challenges and related events.
- Promote entrepreneurship, startup culture, innovation and technology-based solutions among students.
- Facilitate effective utilization of laboratories, technical infrastructure, equipment and other University resources for technical activities and project development.
- Encourage multidisciplinary and cross-functional collaboration among all clubs.
- Monitor the performance, participation and effectiveness of individual clubs and recommend improvements wherever required.
- Ensure appropriate planning, safety, discipline, ethical conduct and compliance with University policies and procedures during all club activities.
- Maintain records of club activities, student participation, projects, competitions, achievements, photographs, reports and other relevant documentation.
- Prepare proposals, schedules, budgets, resource requirements and other necessary documentation for club activities and get it approved from respective school Dean.
- Submit pre-event plans, event updates and post-event reports to the respective School Dean for review and approval, and thereafter forward the same to the Dean – Student Affairs within the prescribed timelines.
- Prepare press notes, social media and print media content, photographs, reels and other promotional materials for submission to the Branding/Communication Team, with prior approval of the respective School Dean and Dean – Student Affairs.
- Bring instances of indiscipline or violation of University norms to the notice of the respective School Dean and Dean – Student Affairs, and initiate/recommend appropriate action in accordance with University rules and procedures.
- Undertake any other management, technical, innovation or student development responsibility assigned by the competent authority.

The Coordinator(s) shall report its activities, plans and progress to the respective School Dean and Dean - Student Affairs. The Deans shall report to the Provost and Registrar for necessary guidance, approvals and further directions.

All concerned are instructed to extend their cooperation and support to the Committee for the successful implementation of Management and Technical Clubs activities during the Academic Year 2026-27.

Notwithstanding anything contained herein, the decision of the Provost shall be final and binding in all matters concerning the Management and Technical Clubs and their activities, as deemed appropriate.

Any dispute or legal matter arising out of or in connection with the Management and Technical Clubs and their activities shall be subject to the exclusive jurisdiction of the competent courts at Ahmedabad, Gujarat.
