Legal Aspects of Contract Management

Batch - 2

Adani University – Centre for Continuing Education

Adani University is a research-intensive educational institution set up to empower by focusing on real-world problems. AU-CCE is poised to enable, empower, and enhance your learning appropriate to your profession. The AU-CCE offers a wide spectrum of programs, that are specifically designed for practicing managers, at various points in their careers, helping them up-skill and progress. These programs are designed and delivered by a rich pool of distinguished faculty, industry experts and highly experienced practitioners.

Program Overview

Contracts are an essential part of any organization. Managing complex contracts is the need of the hour. It is necessary for the professionals to understand the intricacies of any legal contract which has its own business implications.

We bring to you this one-day program which aims to explain the basic nuances of contracts and enhance the understanding of various clauses in the contracts. The program also aims to enhance the analytical skills to interpret the contracts. The dispute resolution mechanisms in the contracts will also be touched upon.

Program Coverage

Module 1: Basics of Commercial Contracts as per Indian Contract Act, 1872

- Introduction to Contracts | How it is different than agreements?
- Written Contracts: Necessary or Optional? Indian Legal Perspective
- Understanding the key elements involved in the formation of a contract
- Brief Overview of the Government Tendering Process

Module 2: Managing Contracts

- Identifying potential contractual issues
- Identifying potential contract risks and how to control them in a cost-effective way
- Administration / Performance of Contract
- Monitoring the implementation of the contract

Module 3: Dispute Resolution and its various methods

- Breach of Contract and Remedies available
- Dispute resolution - an important part of contract management
- Different methods for dispute resolution - Litigation and other Alternate Dispute Resolution Negotiations, Mediation, Conciliation, and Arbitration.
