About Adani University

AU is a self- financed private university promoted by Adani Group. With the major thrust on education for transformation, AU is engaged in building a state-of-the-art futuristic institution for education, training, and research that shall disseminate managerial and technological knowledge of the highest value through impactful industry engagement and multidisciplinary research.

7 Skills. Endless Possibilities:

1. Logic Craft: Building Problem-Solving Skills through C Programming

2. Advance Excel Toolkit

3. The Etiquette Edge: Stand Out, Speak Smart

4. Logic Building with Python Programming

5. Modern AI in Practice: Understanding and Applying Machine Learning and Deep Learning

6. CAD Launch: Foundations of Engineering Drawing

7. Personality Building – A workshop on developing your personality

How We Make Learning Fun & Practical:

- Hands-on Learning
- Industry-Relevant Skills
- Expert Faculty
- Certificate from Adani University
- Networking & Fun Learning Environment

1

Logic Craft: Building Problem- Solving Skills through C Programming

May 2, 2026 | 10:00 AM to 05:00

Adani University Campus, Ahmedabad

What you will learn

- 01 Fundamentals of data handling
- 02 Sequential Programming Logic
- 03 Decision Making Constructs
- 04 Iterative Control Constructs
- 05 Modular Programming Techniques

Session Expert

**Mr. Kamleshkumar
Patel**

Technology Officer
Adani University
